Great. All visitors must remove their shoes and women must cover their hair. Located on the Third Hill of Istanbul, the mosque was ordered built in 1550 by the Sultan Suleyman the Magnificent. The square contains a magnificent fountain and the Byzantine church of Hagia Irene, which Emperor Justinian constructed in the 548.

If an SVG form of this image is available, please upload it and afterwards replace this template with {{vector version available|new image name|}}. Suleiman the Magnificent constructed the entry gate. Lying alongside the Golden Horn on the European side of Istanbul, the two historic neighborhoods are increasingly popular with tourists due to their scenic streets and lovely ambience. 11. Fener & Balat[SEE MAP]© Dreamstime Full of beautiful old buildings, bustling businesses, magnificent churches and synagogues; the winding cobbled streets of Fener & Balat are a treat to explore. Over the centuries and millennia, it has acted as a watchtower, lighthouse and quarantine station, and has even featured in numerous films such as Hitman and The World is Not Enough. Dating back to the days of Constantine, the Chora was a monastery in its early years; a few centuries later, it became a mosque, and in 1948, it was converted to a museum. In addition, it contains the Istanbul Museum of the History of Science & Technology in Islam; and the Sublime Porte, a remarkable rococo gate that once led to the outermost courtyard of the palace. Built in the 19th century using 14 tons of gold leaf, Turkey’s most glamorous palace blends traditional Ottoman architecture with the European styles of Neoclassical, Baroque and Rococo.

Public road transport in Istanbul dates back to 30 August 1869, when a contract to build a tram system in the capital of the Ottoman Empire was signed. With this agreement, Konstantin Krepano Efendi's "Société des Tramways de Constantinople" obtained the concession to operate public transportation for forty years. The inauguration of four lines of horse-driven trams was in 1871. 2022-03-27 · Istanbul (Turkish: Istanbul) is Turkey's most populous city as well as its cultural and financial hub. Located on both sides of the Bosphorus, the narrow strait between the Black Sea and the Marmara Sea, Istanbul bridges Asia and Europe both physically and culturally. Istanbul's population is estimated to be between 16 and 19 million people, making it also one of the ...
